

## Sunday 2<sup>nd</sup> July

Open Day at SEETHING WW II USAAF ONTROL TOWER.

This year marks the 30<sup>th</sup> Anniversary of the restored Control Tower being opened by 448<sup>th</sup> BG Veterans and their families and through the years many more improvements and additional display areas mean this is a great place to visit.

There is free parking with free admission but of course donations are always welcomed 10am to 5pm.

On Sunday July 2<sup>nd</sup> we will be joined by Col. Jeffrey E. Brett author of the Schiffer Military History Book "THE 448<sup>TH</sup> BOMB GROUP (H), Liberators over Germany in World War II" and his wife Martha who is the granddaughter of a 448<sup>th</sup> Pilot  
Why not come and join us.
